

HOLLIES

Popular foundation plant. Requires site with some protection from wind. Male plant needed for berries.

For best performance use acid amendment/fertilizers.

'China Girl/Boy': Very hardy and very popular. Green leaves, tends to be smaller than the blue selections. Mature size: 8' X 6'.

'Blue Princess/Prince': Blue selection with very heavy berry set. Mature size: up to 15' tall X 10' wide

'Blue Maid/Stallion': Blue selection with dark blue-green leaves. Mature size up to 15'. Less leaf serrations than Blue Princess.

Dragon Lady: Attractive newer introduction. Pyramidal with very spiny leaves and multiple red berries. Size: up to 20' tall X 6' wide.

Centennial Girl: dark green upright narrowly pyramidal with heavy berry set. Mature size: 12'-15' tall X 5'-8' wide. Pollinate with meserveae.

Inkberry : Upright, rounded plants with dark lustrous leaves and black berries. Average mature size: 4' round

Skypencil: Unusual, upright, very narrow column. Dark green leaves. Slow grower up to 8' tall. Spray with Wilt-Pruf in Winter.

Chesapeake: Handsome upright form with small rounded, shiny oval leaves. Mature size: 6'-8' tall X 4' wide.

American Holly (Tree): Beautiful slow-growing pyramidal form. Requires male for berries. Mature size: 30' tall X 20' wide.

Winterberry: *Deciduous*, dense shrub. Abundant red berries persist

through Winter. Average mature size: 10' – 15'
